PEACH requests that all parents offer their services in some way for two days during testing. Please indicate the area in which you would feel most comfortable helping.

Testing Administrator—This requires a four year degree and registration with Bob Jones University as a qualified test administrator. You are qualified if you have completed a one-time-only application. Have you registered? If you are interested and have not registered, please call Dawn Mathews (372.5647) and she can help you through the process of becoming a qualified test administrator.

Child Care—This involves occupying the children who are not being tested, but have parents helping in other areas.

Testing Helper—This requires being in the classroom with the test administrator and watching over the testing procedure: helping to answer questions and being a room monitor.

Nursery—Giving care to infants of test administrators and other helpers.

Playground Supervisor—Keeping an eye on the children who are being tested during their breaks outside or in the gym in case of inclement weather.

Snack/ Break Room—Watching the children who come to eat their snacks when on break from testing and making sure the room is tidy and clean at the end of each day. (Only about 6 people are needed for this, so please be sure to mark a second choice.)

Hall Monitor—Monitoring the halls during testing and helping people find their way to the proper rooms the first day. (Only about 6 people are needed, mark a second choice.)

Set Up/Tear Down—Putting up tables and chairs in position the day before testing and returning them after testing is completed. You will be scheduled for one or the other.

Final Check/ Mailing Tests—If it is not possible for you to help out during testing due to employment or some other special circumstance, we request that you choose this option. Responsibilities include meeting with Dawn Mathews at her convenience for a final check of all tests and then mailing them to BJUP for scoring.

Note: PEACH Policy States that you must be available the week of testing as well as the week after testing for any make up testing. To view the full policy, go to <http://peachhomeschool.org> (under About Us)
